Official Letter of Invitation to South Africa

We hereby invite Prof. Jinglun Wang from Hunan university of science and technology to attend the first symposium of African Sustainable Energy Solutions as an Invited Speaker.

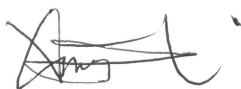

The symposium will gather researchers globally in the field of energy conversion, sustainable energy, energy storage, batteries, hydrogen energy, biomass energy application and energy projects experiences to share their recent findings and exchange the new ideas and experiences, to contribute towards the sustainable energy solutions for Africa. The host of the symposium is the Institute for Catalysis and Energy Solutions, University of South Africa.

The symposium is to be held at the Sun City, Northwest province, South Africa, between 25th -28th August 2024, with two satellite functions to be held in Cape Town, Western Cape province between 22nd -25th August 2024 (Advanced Materials towards Sustainable Africa) and Hazyview, Mpumalanga province between 28th - 31st August 2024 (Advanced Characterization Methods).

More information about the symposium can be found at <https://2024.afrsusens.com>.

Please feel free to contact me for any further information.

Yours sincerely

Prof Xinying Liu

Chair of the Organizing Committee

Co-director, Institute for Catalysis and Energy Solutions, University of South Africa
